Company PROFILE

"Shiv Export" is a most trusted food ingredients supplier with the broadest synergistic Product portfolio in the industry, operating in two complementary Platforms (Dehydrated Onion & Garlic and Indian spices). We have built Shiv Export to deliver a wide range of consistent, Quality, affordable, and Hygienic Products. Shiv Export is a global business, offering Best Competitive solutions, with its network of Sourcing, manufacturing and distribution channels which allows us to deliver high-quality products during all seasons at the most competitive prices.

Our Inspiration:

Indian is one of the largest producers of Onion & Garlic. Typical Odor & Taste of Indian Onion & Garlic has no replacement option. Indian Dehydrated Onion and Indian Dehydrated Garlic are in great demand in global market. Dehydrated vegetable industry is one of the fastest growing Industries in food sector in India.

We are inspired by the opportunities which we have seen in this business to serve our customers with ultimate satisfaction.

India is known as the home of spices and boasts of a long history of trading with the many ancient civilizations of the world. Today, Indian spices are the most sought-after globally, given their exquisite aroma, texture and taste. India is the world's largest producer and exporter of spices of the 109 varieties listed by the International Organization for Standardization (ISO), as the country produces and exports about 75 varieties of spices.

"We strongly believe that our role is very important in this industry, our job is to give best to our customers out of the available Good options, there is tremendous scope that with well organized System we can serve our customers in best way"

Dehydrated Onion & Garlic

Drying foods is one of the oldest methods of preservation known to man.

"The world prefer Dehydrated onion & Garlic to fresh onions & Garlic because it is easier to handle, saves time, no fear of contamination, require no chopping or special treatment and easy to store for long time with long self life of dehydrated products. And more important that it can be enhanced without losing its natural values"

With an unwavering commitment to quality, Shiv Export offers the world's best quality Dehydrated Onion and Dehydrated Garlic products. We cater the customized requirements of our Buyers with desired Quality, Specifications, Packaging, Multi product Supply at a time outsourced from the best from the better options, with exceeding the boundaries of customer's expectation.

Our Innovation and Quality Center, and effective network will provide you the right Dehydrated onion & Dehydrated Garlic product to match your applications.

Shiv Export offering the industry's best value with the most sophisticated processing Operations and finishing options with advance technology, best Infrastructure, quality control facilities backed by years of Excellence.

Gentle air-dry process under the Quality Control makes them to lock in peak color, Taste, Aroma, texture and performance.
